VICTORIA BAY FLOOR PADS

IMPRESSIVE RESULTS, LASTING DURABILITY.

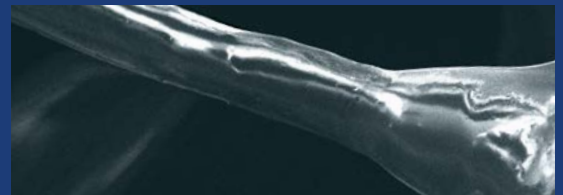

- Optimized construction makes for a solid foundation.
- Incorporating the latest innovations in abrasive technology.
- Engineered to reduce the cost of cleaning and maximize the effectiveness of your floor program.
- Help reduce the cost of cleaning and keep waste to a minimum.

When it comes to durability and sustainability, not all floor pads are created equal. Victoria Bay Floor Pads are engineered to help reduce the cost of cleaning and maximize the effectiveness of your floor program. All while keeping waste to a minimum.

VICTORIA BAY FLOOR PAD FIBERS

Thin, conformable fibers maximize pad-to-floor contact.

OTHER FLOOR PAD FIBERS

Larger, stiffer fibers provide inconsistent results.

Victoria Bay Floor Pads[†] are made with at least 50% post-consumer recycled materials and water-based latex resins. Our packaging is 100% recyclable and made with 50–100% recycled content.

The polyester fiber used to make a range of floor pads[†] contains a minimum of 50% post-consumer recycled content. The recycled polyester fiber used is third-party certified for post-consumer recycled content.

[†]Victoria Bay Brand Floor Pad families include: Natural White Burnishing Pads, Tan Burnishing Pads, Natural Tan Hog's Hair Pads, and Red Buffing Pads.

Certified by Green Seal[®] for Environmental Innovation based on a design for significantly improved initial and mid-life performance compared to competitive products, extending the useful life of the floor pad and reducing solid waste generation.

^{††}Victoria Bay Brand Floor Pad families that are Green Seal Certified: High Performance Stripping Pads, Black Stripping Pads, Blue Cleaning Pads, Red Buffing Pads, and Deep Scrubbing Pads.

VICTORIA BAY FLOOR PADS
